ETAS Open Source Services

August 3, 2011

Then...

-

Now..

- State portal of almost all north east states running on Drupal. (in progress)
- E-procurement system (tendering)
- State governments of Tamil Nadu, Orissa, West Bengal, Kerala and Haryana
- District collector suite (implemented in Kerala)
  - Grievance redressal
  - day2day work, updates, planning and development
- NREGA portal uses FLOSS - 3800 villages in Tamil Nadu alone
- The NIC.in mail server
  - About 3,00,000 mailboxes running on FLOSS solution
  - Postfix
  - Massive cost savings
  - Better security

Reasons for adoption

- Local capacity building and indegenous software development

Reasons for adoption

BOSS Linux

- Bharat Operating System Solutions

BOSS Linux

- Bharat Operating System Solutions
- Debian based

BOSS Linux

- Bharat Operating System Solutions
- Debian based
- 1st release - Jan 2006

BOSS Linux

- Bharat Operating System Solutions
- Debian based
- 1st release - Jan 2006
- Current release - Feb 2011 (version 4.0)

BOSS Linux

- Bharat Operating System Solutions
- Debian based
- 1st release - Jan 2006
- Current release - Feb 2011 (version 4.0)
- EduBOSS lanched in 2010

BOSS Linux

- Bharat Operating System Solutions
- Debian based
- 1st release - Jan 2006
- Current release - Feb 2011 (version 4.0)
- EduBOSS lanched in 2010
- 20 support centers for training

BOSS Linux

- Bharat Operating System Solutions
- Debian based
- 1st release - Jan 2006
- Current release - Feb 2011 (version 4.0)
- EduBOSS lanched in 2010
- 20 support centers for training
- 4 capacity building ?? 20 states..

Deployments of BOSS

- CHOICE - CHattisgarh Online Information system for Citizen Empowerment
- Punjab - Sarva Shiksha Abhiyan - 46,000 desktops in 5000 schools
- Haryana - Sarva Shiksha Abhiyan - 31,000 desktops
- Indian Navy - 1000+
- 2500 machines pre-installed with EduBOSS - SSA schools
- BSNL (telecom) - Andhra Pradesh (tender)

Economic Benifits of FOSS Adoption

- Local capability building and indegenous software development

Economic Benifits of FOSS Adoption

- Local capability building and indegenous software development
- Security

Economic Benifits of FOSS Adoption
